

Personalised printing on T-shirts, Mugs, Caps, Keyrings, clocks, puzzles,

Personalised T-Shirts are FUN!

Our speciality is **personalisation**. Bring us your design, artwork, picture or simply an idea and we will transform it into a work of art that you can show off to your family & friends.

We have a variety of **colours** and **sizes** for Tees in cotton or polyester - you can phone us to confirm; 084 522 1966.

Mugs come in a range of colourful styles and will look good with your own design!

Most jobs are done while you wait! Sometimes it does get a little busy - then you can leave the job with us for a day or so , *because a job well done sometimes needs special attention*

You are always welcome to bring your own design on a card, stick, drive, cellphone etc...

You can include links within sections of text. [Register.com](#) has thought of everything in its new WebSiteNOW! product to help you create the site you have always dreamed of.
